Dasha: Rahu

Dasha End Year: Sat Nov 16 2013

Dasha Start Year: Sat Nov 16 1995

Planet In Zodiac

Cancer is a water sign and when Rahu is placed in a water sign, it makes the native highly emotional and caring. Cancer is ruled by Moon, which represents emotions and Rahu gives confusion. People born with Rahu in Cancer thus struggle to feel emotionally stable. Their emotions and feelings are overwhelming and confusing. Rahu is the Dragon's head and when placed in Cancer, a water sign, it gives deep penetrating thoughts to the native. Such people tend to be a little indecisive due to their wavering thoughts. Rahu in Cancer affords the native with a lot of wealth though. Such people often enjoy an authoritative position too. Right since childhood, these natives have a lot of responsibilities on their shoulders. Lack of peace of mind and discontent persists throughout life. These natives also struggle to enjoy happiness from mother. Disputes in property and land related matters also take place in their life. These people have a tendency to play with others' emotions. They can also betray others if needed.

Prediction

This position of Rahu is not considered much positive in Vedic Astrology. When Rahu is in 12th house, it forms the chance of jail sentence or hospitalization. In some cases where it is under benefic influence, benefit from association with hospital or jail are likely. This could be an insurance claim or benefit in litigation. This placement of Rahu is a strong indicator of foreign travel; however, a lot depends upon other planetary movements and position. Rahu in the 11th house in Cancer also has its drawbacks. Rahu's intense energy might lead to friction among friends & elder siblings causing emotional disturbance. There could be unexpected losses or expenditure related to your home or property due to Rahu's unforeseen changes. You may spend excessively on home decoration and comforts. Health might get affected; especially areas related to heart & breast. Change related to residence or homeland might cause anxiety. The desire for an ideal

home environment might lead to unrealistic expectations causing emotional stress in family life. Professional life may get affected due to over-ambitious plans and unexpected changes.

Saturn is intensely inimical towards Mars, the ruling planet of Aries. Moreover, Saturn is debilitated in Aries, which further makes this position unfavorable for the native. The house where such a placement falls is affected the most, especially if it is the 7th house since it relates to marriage and partner and Mars is a significator of passion. In Vedic Astrology, it also relates to auspicious occasions especially marriage. People having Saturn in Aries in the 7th house either face delay in marriage or problems in their marital life. This position of Saturn also increases aggression in the behavior. Natives with this position struggle to enjoy contentment and satisfaction in their relationships. They face a lot of obstacles in the progress. This gives them a lot of anxiety and stress in life. While they have the ability to lead, they suffer a lot in leadership positions. A pure and transparent hessonite having a delicate hue, brilliance, lustre, and uniform color neutralizes the evil effects of Rahu, and if Rahu is well posited it gives beneficial results during its major period and sub-periods, removes fear, creates clarity of mind, and helps spiritual growth.

Remedies

- Kaal Sarpa Dosh Nivaran Puja is recommended. A person having Kaal Sarpa Yoga in his/her kundli should worship Lord Shiva regularly and for better results, one can also chant the Moola Mantra of Lord Shiva. "Om Namah Shivaya" (). This mantra acts as a Kaal Sarpa Dosha Nivaran mantra. The students who are affected by the malefic effects of Kaal Sarpa Yoga should chant the Moola Mantra of Goddess Sarasvati. Chanting the Moola mantra will enhance the concentration power of the students and as a result, they will be able to perform better. 'Om SaraswatiMayaa Drishtwa, VeenaPustak Dharnim| HansVahini Samayuktaa MaaVidya DaanKarotu Me Om'
- Kaal Sarpa Dosh Nivaran Puja is recommended. In an auspicious Muhurat, offer three pieces of coal in flowing water, one at a time. It is one of the best Kaal Sarpa Dosh remedies. This will nullify the effect of Kaal Sarpa Dosh from the native's horoscope and he/she would be able to lead a more peaceful and happy life. Chanting Hanuman Chalisa 108 times regularly is highly beneficial for the natives who are suffering from Kaal Sarpa Yoga. The people who are affected by this yoga can also visit Lord Hanuman's Mandir and can apply a Tilak of Sindhoor from the idol of Lord Hanuman.
- Kaal Sarpa Dosh Nivaran Puja is recommended. Chanting Maha Mrityunjaya Mantra 108 times on a Rudraksha Rosary will help the native in getting rid of the Kaal Sarpa Yoga. 'Om Tayambakam Yajamahe Sugandhim Pustivardhanam. Urvarukamiva Bandhanan Mrtyor Muksiya Mamratat'.
- Keeping a peacock's feather in the home will reduce the effects of Kaal Sarpa Yoga. Children can also keep it in their books for enhancing their concentration level.
- On every Saturday, worshipping Lord Shani and chanting the Moola Mantra of Lord Shani will reduce the effects of Kaal Sarpa Yoga. People can also offer sesame and black gram to Lord Shani. 'Om Shani Charaya Namaha'
- Kaal Sarpa Dosh Nivaran Puja is recommended. Place the Kaal Sarpa Yoga Yantra in your home in an auspicious Mahurat to get rid of the Kaal sarpa Yoga. You can also chant this Moola mantra for energizing the yantra. "Bramha Muri Tripurantkari Bhanuh Shashih BhumiSuto Budhashch"
- Do pooja on Naag Panchami and after the pooja, make sure that the snake charmer frees the snake in an open ground.
- General Shiva Pooja. Even a general Shiva Pooja where one would chant a certain Stotra of Lord Shiva will also reduce the impact of Kaal Sarpaa Dosha. This will please Lord Shiva who can remove all the problems from a natives life. This canting of the mantras in the pooja should be done religiously and with an outbreak.
- Do Kaal Sarpa Dosh Nivaran Puja. On every Monday, on the same place and time, offer a handful of wheat, shrivel and a coin of 1, 2, 5, or 10. Chant the name of Lord Rama while offering all these things. Make sure that you take the same value of the coin on every Monday. Perform this cycle of activities for 21 Mondays and get rid of this Yoga.

Current Sade Sati

Age: 26
Bot Response: You are not on any shani(saturn) period
Date Considered: Sep 01 2026

Description

Sadhe Sati refers to the seven-and-a-half year period in which Saturn moves through three signs, the moon sign, one before the moon and the one after it. Sadhe Sati starts when Saturn (Shani) enters the 12th sign from the birth Moon sign and ends when Saturn leaves 2nd sign from the birth Moon sign. Since Saturn approximately takes around two and half years to transit a sign which is called Shani's dhaiya it takes around seven and half year to transit three signs and that is why it is known as Sadhe Sati. Generally Sade-Sati comes thrice in a horoscope

in the life time - first in childhood, second in youth & third in old-age. First Sade-Sati has effect on education & parents. Second Sade-Sati has effect on profession, finance & family. The last one affects health more than anything else.
