Planet In Zodiac

Cancer is a movable water sign ruled by Moon, which is a feminine watery planet. Mars on the other hand is a fierce and masculine planet but it shares a friendly relationship with Moon, so the placement of Mars in Cancer turns out well for a native. If you have Mars in Cancer, you are likely to value your physical energy more than your emotional strength. A mix of Moon and Martian energy make the person mentally strong and resolute since Moon represents mind and Mars represents power. Such natives need an outlet for their reserve of energy, and they tend to express their energy in an emotional fashion due to the influence of Moon. These natives are not demanding and assertive; instead, they tend to be compromising in nature. However, that doesn't mean that you can make them compromise on their beliefs. Natives with Mars in Cancer tend to be independent and hard working. They make serious efforts to realize their ambitions. Due to overflow of feelings (Moon) and sensual needs (Mars), these people tend to be overly passionate in love and sexual matters. They do well in Sports, especially water based. Sailing also appeals a lot to these people.

Prediction

Since the 4th lord, Mars, is in the 7th house of Cancer, You will have a very strong-willed and a dominating spouse. Your spouse shall be a fighter and will lead you out of any trouble that you may face. Arguments shall take place but will end up for the betterment of your relationship. This phase might be a challenge, bringing emotionally taxing situations. Mars' placement in the 7th house, linked with marriage and business, might lead to passionate but unstable relationships. The water element of Cancer can sometimes suggest emotional turbulence along with health issues related to breasts and the heart. Your career could be adversely affected, with the slow pace hindering your progress. There may be conflicts in partnerships and

considerable upheavals in your home environment. Travel may frequently result in stress rather than pleasure. You may also face financial instability. Confrontations may rise and could result in losses if not managed shrewdly. Protect your emotional health to mitigate these effects.

Remedies

- Kaal Sarpa Dosh Nivaran Puja is recommended. A person having Kaal Sarpa Yoga in his/her kundli should worship Lord Shiva regularly and for better results, one can also chant the Moola Mantra of Lord Shiva. "Om Namah Shivaya" (). This mantra acts as a Kaal Sarpa Dosha Nivaran mantra. The students who are affected by the malefic effects of Kaal Sarpa Yoga should chant the Moola Mantra of Goddess Sarasvati. Chanting the Moola mantra will enhance the concentration power of the students and as a result, they will be able to perform better. 'Om SaraswatiMayaa Drishtwa, VeenaPustak Dharnim| HansVahini Samayuktaa MaaVidya DaanKarotu

Me Om'

- Kaal Sarpa Dosh Nivaran Puja is recommended. In an auspicious Muhurat, offer three pieces of coal in flowing water, one at a time. It is one of the best Kaal Sarpa Dosh remedies. This will nullify the effect of Kaal Sarpa Dosh from the native's horoscope and he/she would be able to lead a more peaceful and happy life. Chanting Hanuman Chalisa 108 times regularly is highly beneficial for the natives who are suffering from Kaal Sarpa Yoga. The people who are affected by this yoga can also visit Lord Hanuman's Mandir and can apply a Tilak of Sindhoor from the idol of Lord Hanuman.

- Kaal Sarpa Dosh Nivaran Puja is recommended. Chanting Maha Mrityunjaya Mantra 108 times on a Rudraksha Rosary will help the native in getting rid of the Kaal Sarpa Yoga. 'Om Tayambakam Yajamahe Sugandhim Pustivardhanam. Urvarukamiva Bandhanan Mrtyor Muksiya Mamratat'.

- Keeping a peacock's feather in the home will reduce the effects of Kaal Sarpa Yoga. Children can also keep it in their books for enhancing their concentration level.

- On every Saturday, worshipping Lord Shani and chanting the Moola Mantra of Lord Shani will reduce the effects of Kaal Sarpa Yoga. People can also offer sesame and black gram to Lord Shani. 'Om Shani Charaya Namaha'

- Kaal Sarpa Dosh Nivaran Puja is recommended. Place the Kaal Sarpa Yoga Yantra in your home in an auspicious Mahurat to get rid of the Kaal sarpa Yoga. You can also chant this Moola mantra for energizing the yantra. "Bramha Muri Tripurantkari Bhanuh Shashih BhumiSuto Budhashch"

- Do pooja on Naag Panchami and after the pooja, make sure that the snake charmer frees the snake in an open ground.

- General Shiva Pooja. Even a general Shiva Pooja where one would chant a certain Stotra of Lord Shiva will also reduce the impact of Kaal Sarpaa Dosha. This will please Lord Shiva who can remove all the problems from a natives life. This chanting of the mantras in the pooja should be done religiously and with an outbreak.

- Do Kaal Sarpa Dosh Nivaran Puja. On every Monday, on the same place and time, offer a handful of wheat, shrivel and a coin of 1, 2, 5, or 10. Chant the name of Lord Rama while offering all these things. Make sure that you take the same value of the coin on every Monday. Perform this cycle of activities for 21 Mondays and get rid of this Yoga.

Bot Response

This is your second Sade Sati period, In this period you will rise to fame if you put the right amount of work. If you are careless or irresponsible even in the slightest way, you will end up with disrespect and humiliation amongst your peers

Date Considered: Aug 27 2026

Description

Sadhe Sati refers to the seven-and-a-half year period in which Saturn moves through three signs, the moon sign, one before the moon and the one after it. Sadhe Sati starts when Saturn (Shani) enters the 12th sign from the birth Moon sign and ends when Saturn leaves 2nd sign from the birth Moon sign. Since Saturn approximately takes around two and half years to transit a sign which is called Shanis dhaiya it takes around seven and half year to transit three signs and that is why it is known as Sadhe Sati. Generally Sade-Sati comes thrice in a horoscope in the life time - first in childhood, second in youth & third in old-age. First Sade-Sati has effect on education & parents. Second Sade-Sati has effect on profession, finance & family. The last one affects health more than anything else.
